LOT 23 - CAT D3C Dozer

Description

2183.1 Hours (VIDEO IN PHOTOS)

This dozer came in from the Bossier Parish Sheriff's Office. The deputy that delivered it said it is a good dozer. Said it has a couple of small hydraulic leaks on it but other than that, it is a good machine. It was used out at the old Pea Farm and they rarely used it, so they decided to sell it.
