LOT 268 - CPR Training Equipment Lot – Includes 2 Adult Manikins, 3 Infant Manikins, AED Trainer, Accessories

Description

Complete CPR training bundle perfect for instructors, training centers, schools, or organizations looking to teach lifesaving skills. This lot includes:

- **(2) Adult CPR Manikins** (including Laerdal "Little Anne" torso with carrying case)
- **(3) Infant CPR Manikins**, various styles for different training scenarios
- **(1) AED Trainer** with pads and wired remote
- **Laerdal "Little Anne" Carrying Bag** included

All items appear to be in good, gently used condition. Some parts may have light cosmetic wear but are fully functional. Perfect for classroom or field instruction.

Don't miss this chance to get a full CPR/AED training setup at a fraction of the retail price. Great value for EMS instructors, safety trainers, or first responder courses.

Quantity: 1
