LOT 271 - Emerson Quiet Kool Portable Air Conditioner & Heater 14,000 BTU

Description

Just in time for summer, this Emerson Quiet Kool Portable Air Conditioner with Heat is the all-season solution you didn't know you needed. Whether you're trying to escape the heat or warm up a chilly room, this 4-in-1 unit has you covered.

Designed for rooms up to 550 sq ft, it cools, heats, dehumidifies, and circulates air efficiently. Ideal for bedrooms, apartments, offices, or garages. Quiet operation, digital controls, remote access, and a full window venting kit make it as convenient as it is effective.

Cools & heats spaces up to 550 sq ft
4 modes: AC, Heat, Fan, Dehumidifier
Portable design with wheels for easy movement
Digital display & remote control
Window exhaust kit included

Condition: Lightly used and fully functional, purchased in April 2023.

MSRP: \$663

Check out the video in the listing to see it blowing cold air—proof it works like a champ.

Bid now and get ready to stay cool all summer and warm all winter!

Beat the heat—bid now and stay comfortable all year long!

Quantity: 1
